**Please Note**

- CSU Transportation Department operates shuttles between Main campus and RiverPark campus.
- **Buses only run on days that the campus is open.**
- During the semester, buses transport students each weekday with a modified schedule on Weekends and Holidays
- Services may also be limited on light traffic days such as during finals and semester breaks.

- The buses will stop for passengers at designated stops **only**.
- **All times on the schedules are departure times.**
- **Buses run on a tight schedule; please arrive at the stop five minutes before departure time.**
- Over-crowding may be an issue during peak periods. To minimize standing, it is recommended to plan to leave before the last bus to your destination. Plan to leave at least two buses before your desired arrival time at your destination.
- The Transportation Department has a No Eating and No Drinking on the bus policy.
  - All drinks/liquids should be in containers with a twist on lid or secure cap.
  - All food should be in bags or a closed box for transport.
- Please abide by the policy of no eating or drinking on the shuttle bus. The policy is in place to maintain the clean and safe condition of the buses. Please do not ask the driver to overlook this policy, this is for your benefit. All other food or drinks should be disposed of before boarding the bus.
- **Students needing transportation to other parts of the city may also ride the Metra Transit system at a discount with their valid, current student ID Card. The cost is \$1.00 per use.
