of the Order of Omega at Columbus State University

The Order of Omega is a leadership honor society for members of Fraternity & Sorority organizations. Order of Omega recognizes juniors and seniors who have exemplified high standards in the areas of scholarship, leadership, involvement within their respective organization and within the Fraternity/Sorority, campus, and local community. Members are selected from the top 3% of students at each institution.

To date, over 500 chapters have been chartered throughout North America, each sharing the common goal of recognizing the many outstanding student leaders at their institution.

The Omicron Iota chapter was chartered in 1975 and began an active role on campus. Since our founding, we have initiated more than 100 members.
