
Miss CSU

The Miss CSU Scholarship Program is a scholarship competition for Columbus State University. This is an official preliminary to the Miss Georgia and Miss America Scholarship Pageants. It's a dynamic educational program that provides opportunities for young women to expand their quest for knowledge and acquire skills to better equip them for future opportunities. Most importantly, participants will have many occasions to develop their leadership skills, resulting in a greater sense of awareness of their potential.

Update, March 31, 2025: Due to unforeseen circumstances, Ms. Saer is unable to complete her tenure as the reigning Miss CSU. The university appreciates her dedication and contributions during her time in this role.
