

Scholarships

CSU Mathematical Studies Scholarship

The Department of Mathematics at Columbus State University has a new scholarship for students enrolled in a major, minor, or certificate housed in the Mathematics department! Two (2) successful applicants will each receive a \$850 scholarship for the Fall 2021 semester to continue their mathematical studies at Columbus State University.

Eligibility and Conditions of Award

To be eligible, students must:

- Be enrolled full-time during the Fall 2021 semester
- Be a United States Citizen or Permanent Resident
- Have a minimum cumulative GPA of 2.5
- Have Sophomore, Junior or Senior standing
- Be enrolled in a track, minor OR certificate housed in the Math Department. This includes:
 - Mathematics B.S.
 - Mathematics B.S. (Applied Mathematics concentration)
 - Mathematics B.S. (Secondary Education concentration)
 - Mathematics Minor / Certificate
 - Data Analytics Minor / Certificate

Eligible students will need to complete and submit the application form [found here](#) by **March 01, 2021**.

Recipients will be notified by April 10, 2021.

If you have questions, please contact Dr. Ben Kamau at kamau_ben@columbusstate.edu.
