ArmyIgnitED HOW TO GUIDE

CREATE A STUDENT USER ACCOUNT

THE TRANSITION FROM GOARMYED TO ARMYIGNITED BEGINS LATE FEBRUARY 2021

To help transition from GoArmyEd to the new home of Tuition Assistance (ArmyIgnitED), we've created a step-by-step guide to assist you with creating your Student User Account.

Creating a Student User Account is a two-step process. The first step is creating a login.gov account that will act as your login. The second step is completing the setup process in ArmyIgnitED in order to confirm your account details and complete the account process.

Steps for creating an ArmyIgnitED account

1. Go to armyignited.com and click get started.
2. Click "CREATE AN ACCOUNT" to start the process of creating your Login.gov account.
3. Enter the email that you want associated with your login.gov account and click submit.
   - It is recommended you use your MAIL.MIL.
   - A confirmation link will be sent to the address entered in the previous step.
4. Log in to the email account you've requested the confirmation code to be sent to and copy and paste the link to your URL.
5. Create a login.gov password and associate your CAC in order to complete the request.
   - It is a requirement to associate your CAC to your account in order complete the setup in ArmyIgnitED. It is recommended you add an additional authentication method by adding your phone number.
6. Click agree and continue in order to provide ArmyIgnitED permission to obtain information from your login.gov account.

Congratulations, you've successfully created your login.gov account and now have access to ArmyIgnitED

7. Return to www.ArmyIgnitED.com then, click **Get Started** to complete the ArmyIgnitED account creation process.
8. Once signed in, confirm your personal information.
9. Confirm your mailing address.
10. Confirm your email address and phone numbers
11. Select your preferred email address, mailing address, and phone number.
12. Confirm your education information
13. Click **FINISH**
