

FreeCore

If you are thinking about returning to college or looking to take some refresher courses, FreeCore may be the option for you. FreeCore is part of University of Georgia that allows you to take an open online course format that is tuition free with no hidden costs. FreeCore classes are non-credit courses that are designed to help you increase your skills for college level coursework. Course options include:

- College Foundations for English Composition
- College Math Foundations
- Essential Study Skills for College Success

To register, or for more information, visit the [FreeCore website](#).

For more information, contact the Military-Connected Student Services Office at [\(706\) 507-8866](tel:7065078866).
