

Nursing Admission Exam

Admission Exam

The RN Admission Assessment Exam (A2) is required for admission to the nursing program.

- You may take the exam twice per calendar year, but there must be a 6 week break between attempts.

Evolve Reach A-2 Test (by Elsevier)

- Appointments are scheduled online at the [Testing Center](#). Click "admission assessment" and follow the instructions to schedule your appointment.
- If you are not able to take the exam at CSU, please contact the testing center at [\(706\) 507-8020](tel:7065078020).
- Non-refundable fee \$70.00 (includes proctor fee) - payable to Testing Center

Format: Online, proctored, timed exam

Evolve Reach A2 Test includes:

- **Math, Reading, Grammar** (scores used as part of nursing admission criteria)
- **Minimum of 75%** required on each of the 3 tests; minimum of 75% average of 3 tests required. Scoring 75% or better does not guarantee admission into the nursing program. The scores are considered along with your GPA.
Note: In line with CSU School of Nursing policy, grades are not rounded.
- **Learning Styles** (scores NOT used as nursing admission criteria --- used in Student Success Program after admission)
