
Nursing Alumni Group

Welcome to the CSU School of Nursing alumni website. As a graduate and alumnus of our school, you are very important to us and we want to stay connected with you. We also want to help you stay connected with your nursing school friends and former faculty members. Please let us know what you are doing. We really want to hear from you. Visit our [alumni website](#) and keep us informed.

The Nursing Alumni Group is being formed to develop and foster the relationship between the CSU School of Nursing and its alumni and friends. Your support, generosity, and guidance will assist CSU in leading nursing education into the 21st century. CSU is committed to meeting the urgent need for qualified nurses and advancing the nursing profession. We want your input as we develop a vision for our organization that will assist our leaders in maintaining an outstanding nursing program that meets the community's needs and developing goals for the future of the program.
