

Center of Online Learning

COOL's mission is to empower faculty with the knowledge, skills, and support to build, design, and implement an inclusive learning environment and educational experience. Our goal is to partner with faculty to offer relevant and student-centered learning experiences that will enhance the CougarVIEW, GoVIEW, and GeorgiaVIEW online learning environments.

Brightspace Pulse

The image shows two smartphones displaying the Brightspace Pulse mobile application. The left phone shows a course page for 'Electricity Lab #4' with a calendar view for Monday, April 11, and a 'Watch 15%' indicator. The right phone shows a course page for 'Physics 1202' with a calendar view for Thursday, April 27, and a 'Watch 15%' indicator. The background of the banner is dark blue with light blue bokeh circles.
