# ROAR ORIENTATION

## Breakout Sessions

### Fuel & Finds: Navigating Campus Dining and the Bookstore

Learn about dining options, meal plans, campus favorites, and how the bookstore supports your student with textbooks, supplies, apparel, and more. Get tips for making the most of these everyday campus resources.

### Campus Life Unlocked: How to Get Involved

Discover the many ways students can connect on campus through clubs, organizations, leadership opportunities, events, and traditions. Learn how involvement helps students build friendships, confidence, and community.

### Campus to Career: How the Career Center Prepares You for What's Next

Explore how the Career Center helps students prepare for internships, careers, and life after graduation through career coaching, resume support, networking opportunities, and more.

### Thriving, Not Just Surviving: Well-Being at CSU

College is about more than academics. Learn about the resources, programs, and support available to help students prioritize their mental, physical, and emotional well-being throughout their college journey.

### Campus Safety & Security: What You Need to Know

Hear about the services, tools, and safety measures in place to help keep students safe on campus. This session will cover campus police, emergency resources, and ways students can stay informed and prepared.

### Living Your Campus Life

Whether your student is living on campus or commuting, this session will help them feel more prepared for daily college life. Session 1 covers frequently asked questions about residence life, while Session 2 focuses on tips, resources, and ways commuter students can stay connected and engaged.
