
CougarAccess ID Cards

All students, faculty and staff at Columbus State University have a CougarAccess card. It's your campus ID and so much more!

On campus, your card is used for a variety of purposes on a daily basis. CougarAccess is used as your Campus Meal Card, Library Card, Cougar Shuttle Pass, and Rec Center and building access. You can also gain access to all CSU sporting events.

You can get your CougarAccess ID at the CSU Police Department. We are located next to the Elizabeth Bradley Turner Center, on the corner of College Drive and East Lindsey Drive.

Cards are made seven days a week from 7 AM to 7 PM.

Note: Replacement ID cards are \$15 and must be purchased through the Office of Student Accounts. You will receive a receipt to take to University Police to print your new ID card. For cash/check payments, please visit the Office of Student Accounts or [Make Replacement ID Payments Online](#)
