

Columbus State University and Chattahoochee Valley Community College  
Transfer Articulation Agreement

**Introduction**

This agreement formally recognizes that Columbus State University (CSU) and Chattahoochee Valley Community College (CVCC) are active educational partners in providing educational opportunities for currently enrolled and potential students of both institutions. Agreement to this partnership requires a commitment by both institutions to serve and facilitate a student's ability to transfer into a degree program without jeopardizing the intended mission and stated goals of either institution.

**Agreement on Communication**

Columbus State University and Chattahoochee Valley Community College agree to cooperate in communicating with each other concerning the articulation relationship between the two institutions. Communications may include common publications and announcements concerning their affiliation. Announcements of this articulation and of changes in the relationship will have a coordinated release to the public from both institutions. The institutions will encourage the dissemination of information about programs in this agreement to interested and qualified students, with both institutions providing advising and counseling to prospective students.

**Agreement on Articulated Courses**

This agreement is specifically for students completing the courses included in this document at Chattahoochee Valley Community College who are transferring to complete a baccalaureate degree at Columbus State University. This agreement does not apply to other institutions in the University System of Georgia. Any Chattahoochee Valley Community College student who completes the courses detailed herein at CVCC, is in good standing at Chattahoochee Valley Community College, and meets the appropriate admission requirements to attend Columbus State University will be ensured that the courses listed in this agreement earned at Chattahoochee Valley Community College will transfer to Columbus State University. A minimum grade of "C" or above will be required for ENGL 1101, ENGL 1102, and any other courses designated by specific majors in accordance with their program requirements.

No student may transfer more than 75% of the credit required for an associate or baccalaureate degree. Both institutions are committed to advising students accordingly so that credit earned is applied appropriately to the degree. Students who plan to change from a non-science major to a science major may need to take additional courses in Areas A-E. This agreement replaces any former agreement.

**Agreement on Maintenance and Review**

At least one administrative or faculty member will be appointed from each participating college/university to act as a primary point of contact and agent for this agreement, to speak for the institution, and to communicate details and modifications to respective faculty, advisors, and others with interest at the individual institutions.

This agreement will be in effect for three years from the date of administrative endorsement. Renewal of transfer plans with appropriate content changes will be completed on an annual basis. It will be automatically renewed unless one of the parties expresses, in writing, its desire to terminate the agreement giving six months' notification with the effective date to be the last day of the following academic term.
