

Pro Rata Refund Schedule

Refund Policy

Fees will be recalculated and appropriate adjustments made for students who register and then find it necessary to drop a course before the end of the allowable schedule change period. No refund will be made for a reduction in credit hours after the last day to drop during the schedule change period. Students who formally withdraw from the university or cancel their registration before the end of the allowable schedule change period will be entitled to a complete (100%) refund of all registration fees.

Students withdrawing from all courses after the end of the allowable schedule change period will be entitled to a prorated refund of the tuition, fees, and other elective charges. The proportion refundable is determined by the date of withdrawal and is equal to that portion of the period of enrollment for which the student has been charged that remains on the last day of attendance, up to the 60 percent point in time of the semester.
