WHAT’S OPEN ON CAMPUS?
AUGUST 7–17

New to campus and need help getting your bearings? Curious what a “physically distanced” classroom looks like? CSU is offering opportunities next Fri. and Sunday to check things out.

On Friday, August 14, buildings on both campuses will be open all day for you to find your classrooms. And, on Sunday, August 16, you can join orientation leaders on both campuses beginning at 4 p.m. for an evening flashlight tour. Learn more and register for Sunday’s event online.
