
Army ROTC Alumni

The Columbus State University Army ROTC Alumni Council is dedicated to supporting Cougar Battalion cadets and cadre, strengthening connections between alumni, current cadets, and the university.

Army ROTC has been an integral part of CSU for decades, commissioning officers who have gone on to serve with distinction in the U.S. Army and as leaders in their communities. Our program continues to instill the values, discipline, and leadership required for military excellence.

The CSU ROTC Alumni Council offers a platform to stay engaged with today's cadets, reconnect with fellow graduates, and uphold the proud traditions of ROTC at Columbus State. Through events such as Homecoming, leadership panels, and recognition ceremonies, we celebrate our legacy while investing in the next generation of Army officers.

As global and domestic security challenges evolve, today's cadets are preparing to text-ig with professionalism and purpose. They deserve the continued encouragement of those who came before them.
