

Columbus State University Logo Guidelines

A quick and easy guide to the presenting the university logo for your next project.

Tip: Make sure that the path is always white.

Making sure that you have the right logo is easy, just make sure that the pathway under the clocktower is white. If you're still unsure, review the examples on this page that show the correct and incorrect way to display the logo.

FOR DISPLAY ON POSTCARDS/BROCHURES

FOR DISPLAY ON TEXTILES

FOR DISPLAY ON WINDOWS

FOR DISPLAY ON ENGRAVINGS

Give us a call, we'll be glad to help.

If you have any questions or would like help in choosing the correct logo for your next publication, contact University Relations at: 706.507.8720.
