

Uptown Tree Trail

The Uptown Tree Trail was founded by the 2016 Columbus State University Servant Leadership Program Senior Class. The CSU Servant Leadership Program Seniors were seeking to provide resources for a local nonprofit while serving the broader Columbus community, its businesses, organizations, and groups.

Uptown Tree Trails provides a wonderful winter activity for friends and families to enjoy. Guests can walk the trail, enjoy the decorations and attend special Uptown Tree Trail events throughout December. Uptown Tree Trail is also a unique opportunity for Columbus businesses, organizations, and groups to market themselves in a high-traffic area over a four-week period. Creativity is encouraged and Holiday spirit is required!

To learn more about the Uptown Tree Trail, please visit our website at <http://www.uptowntreetrail.com/>.
