The editor and staff have full responsibility for preparing the publication and they gain valuable journalistic experience. Staff positions are open to all students who meet the qualifications.

## Student Government

Students play an important part in the policy and decision making process at Columbus State University. The Student Government Association handles matters concerned with the general welfare of the student body. The legislative branch of the SGA, composed of 15 at-large Senators elected by the student body during spring semester and one representative from each campus organization, is responsible for decisions relating to student issues. The SGA is subdivided into committees that touch almost every phase of student life (elections, homecoming, etc.). These committees send recommendations to the governing body for action. Students also serve with faculty and administrators on various standing committees and have full voting status.

The executive branch of SGA is the executive committee which consists of the President, the Vice President of Scholastic Affairs, the Vice President of Finance, the Speaker of the Senate and the Speaker of the Representatives. The committee administers student government and acts on student grievances, ideas, and comments.

The Judicial Council is the representative of the Judicial Branch. It consists of a panel of six students, five justices elected by the forum and a campus elected, Chief Justice. Its purpose is to sit as a student court and render decisions on certain university and student government policies that affect students and serve as student representatives on judicial hearings as requested. It also functions as a sub-committee of the University Grievance Committee. The Judicial Council reports to the forum on its activities.

## Student Activities Council

The Student Activities Council, usually referred to as SAC, is the student-run organization responsible for sponsoring a variety of events for CSU's student body. The purpose of this organization is to contribute to the social, recreational, and educational development of the CSU community through programs and services. SAC is made up of five committees that are responsible for a specific type of event programming. These committees include; Parties, Picnics & Games; Spotlight & Showcase; RiverPark Programs; and Ideas & Awareness.

SAC hosts many traditional events on campus including Alcohol Awareness Week, Step Show, Spoken Word Poetry Contest, Talent Show, etc. This student organization also hosts the annual Winterfest/ Game Over and Spring Fling.

Membership on these committees is on a volunteer basis and there are no membership fees. To sign up for a committee visit the SAC office in the Davidson Student Center room 268. You can help plan and promote different events on

campus. SAC is a great way to be involved on campus, gain life experiences, and make new friend! SAC's door is always open and students are encouraged to come by or call the office at 706-568-2404 for more information.
