# Testing Center

The CSU Testing Center is a nationally certified test center that provides institutional testing, professional certification and licensure tests, other academic tests, and test administration services for current and prospective CSU students, students of other educational institutions, and the community at large. The Testing Center adheres to the Professional Standards and Guidelines for Post-Secondary Test Centers, as adopted by the National College Testing Association (NCTA), to the best of its ability.

The Testing Center also operates a **Prometric Testing Center**, which delivers academic and professional licensing and certification exams such as the GRE, CPA, MCAT, and FINRA exams, among many others. To register for Prometric exams, go to the Prometric website.

If you have any questions about the tests and services we provide, please feel free to call or email us.

Testing Networks

Our Testing Center is an IQT Preferred Testing Center. Through this company, we deliver high-stakes, secured, online testing for industrial, medical and professional certification and licensure.

Test Preparation

Columbus State University provides a wide array of test preparation options. Students can buy books from the Campus Bookstore. In addition, test takers can contact the Department of Continuing and Professional Education directly or visit the test's website.
