

Prometric Testing Center

Our Prometric Testing Center delivers many high-stakes professional and licensure exams for over 500 clients in the academic, government, healthcare, financial, and professional association industries. Candidates must register for exams by going through their professional association or to the Prometric web page, www.prometric.com.

Tests We Administer at the Prometric Testing Center

Our Prometric Academic, Professional and Corporate Testing Center delivers many of the world's most highly regarded and highest stakes exams for academic, government, healthcare, financial, associations and professional certification and licensure organizations. A few of the tests administered or clients represented (sponsors) are:

- American Board of Family Medicine
- American Board of Pediatrics
- CPA
- FINRA
- GACE
- GRE
- Green Building Certification Institute (LEED)
- National Institute for Automotive Service Excellence (ASE)
- National Board of Veterinary Medical Examiners
- PRAXIS
- **As well as many others**

Register directly with the professional association, the testing company, or through [Prometric Registration](#).
