
Facilities & Performance Space

RiverPark Campus

Columbus State's art and theatre complex is the latest of a string of University projects that have helped revitalize the Columbus' downtown area. Most efforts are centered on the University's Music, Theatre & Dance, and Art Departments, creating a downtown Fine and Performing Arts campus that may be unequaled, both in terms of facilities and in terms of community impact.

Rankin Arts Center

1004 Broadway, Columbus, GA 31901

The Rankin Dance Studios houses three large dance studios with floor-to-ceiling mirrors, ballet barres and bluetooth sound systems as well as locker rooms and showers.

Nestled in the heart of Uptown Columbus between Broadway and First Avenue, the historic Rankin building features a beautiful courtyard, ample lighting and picture perfect scenery at every turn.

Riverside Main Stage

6 W 10th St Columbus, GA 31901

This is the primary performance space for the Dance Program, seating 350 people. The theatre has a complete fly system with thirty-eight line sets, a fully-trapped stage floor, flexible orchestra pit, and a proscenium opening of 36 feet. The main floor and balcony seats provide excellent sightlines and acoustics.

The theatre also features a complete catwalk access system to reach every lighting position, a state-of-the-art Strand lighting board and a \$35,000 sound and recording system.

The Yancy Center at One Arsenal

901 Front Ave. Columbus, GA 31901

This facility houses a large multi use dance space.
