

# Department of Teacher Education, Leadership, and Counseling

Come Explore About the Department of Teacher Education, Leadership, and Counseling

Skilled teachers, educational leaders, and counselors have the power to transform communities. At Columbus State University, we're educating the innovators of tomorrow # visionaries who are creating more inclusive, effective, and sustainable organizations around the world.

The department is committed to immersive educational opportunities. As a student, you'll learn through traditional coursework, lab and field experiences, computer simulations, and video. If you're new to the field, courses in the foundational areas of educational research and psychology will prepare you take the next step in your education. Join a community of engaged, empathetic learners # future school and clinical counselors, education policy makers, and university faculty members. Our instructors will help you every step of the way through one-on-one learning and professional mentorships.

Create Your Future Degrees and Programs

The Department of Teacher Education, Leadership, and Counseling offers a number of degrees and minors. Explore your options here.

## Learn More About Us

### Who We Are

The Department of Teaching, Leadership, and Counseling offers undergraduate, graduate, and doctoral degrees in the fields of Teacher Education, Teacher Leadership, Educational Leadership, School Counseling, and Clinical Mental Health Counseling. The department emphasizes instruction and rigorous application of theory through performance-based instruction that culminates in real-world experience.

Courses are delivered using traditional methods and modern technologies, including online, distance learning, and web-enhanced instruction. Campus courses are taught in technology-equipped classrooms. Instruction is augmented through technology to include computer simulations, video, and laboratory experiences on campus and in the field.
