

About the Turner College of Business & Technology

We create better futures for our diverse student body by producing a career-ready workforce. Our programs are in business and technology - and where the two meet.

Together, the College offers 9 graduate programs, 12 undergraduate programs, and numerous certifications. With our text-sm average class size, our dedicated faculty and staff, and our reasonable tuition, we may be the *best buy* in higher education in the region.

The Synovus Center for Commerce and Technology, located on the main campus, houses the three academic units:

- [Marketing and Management](#)
- [Accounting and Finance](#)
- [The TSYS School of Computer Science](#)

Accreditation and Recognition

Columbus State University is accredited by [AACSB International - The Association to Advance Collegiate Schools of Business](#) to award bachelor's and master's degrees in business through the Turner College of Business and Technology.

AACSB ACCREDITED

The TSYS School of Computer Science is recognized by the U.S. National Security Agency as a Center of Academic Excellence in Cyber Defense Education.

Student Success and Outcomes

Success after Graduation

Columbus State University graduates from the Turner College of Business & Technology achieve job placement in several top industries, including finance, education, information technology, insurance, and healthcare. The University System of Georgia's [Georgia Degrees Pay website](#) shows the median annual salaries for CSU graduates one, five, and 10 years after graduation.
