
Center for Entrepreneurship and Innovation

The **Mission** of the Center for Entrepreneurship and Innovation is to teach, encourage, and support students seeking to start new business ventures.

The **Vision** of the Center for Entrepreneurship and Innovation is to become the organization that students, faculty, and staff at Columbus State University and residents of the Chattahoochee region may receive assistance with their efforts to start and manage new business ventures.

Services

The Center assists full and part-time students seeking to start new businesses as well as students interested in our Business Pitch Competition held in April each Spring semester. Students seeking our assistance may visit our office in SCCT Room 347, email us or fill out a request form.

Cougar Biz Pitch Competition

Each Spring Semester, the Center hosts the annual Cougar Biz Pitch Competition. All undergraduate and graduate students enrolled during the current academic year are eligible so long as they are in good academic standing with the university and do not have any holds on their accounts. Visit the [Cougar Biz Pitch Competition Webpage](#) for complete details.
