

Turner College of Business & Technology

Come Explore About the Turner College of Business & Technology

In the competitive world of business, every advantage matters. The Turner College of Business & Technology gives students the edge they need to succeed.

At the Turner College of Business & Technology, we believe educating tomorrow's leaders is a creative endeavor. The dynamic fields of business and computer science demand professionals who can anticipate challenges, seize new opportunities, and constantly innovate.

AACSB ACCREDITED

Here,

students learn in the classroom and well beyond it. Professional mentorships, conferences, guest speakers, and field experiences create a learning environment that's active and immersive. Through strong business and community partnerships, the College maintains an 80 percent internship placement rate - helping to launch successful careers for countless CSU graduates.

Together, the College offers 9 graduate programs, 12 undergraduate programs, and numerous certifications. Our business programs are accredited by AACSB International, the Association to Advance Collegiate Schools of Business. Home to the College's computer science programs, the TSYS School of Computer Science is recognized by the U.S. National Security Agency as a Center of Academic Excellence in Cyber Defense Education.

A Message from the Dean

Tesa Leonce

Welcome to the Turner College of Business & Technology!

It is my pleasure to welcome you to the Turner College of Business & Technology at Columbus State University. Our college is committed to providing an exceptional education that combines academic rigor and experiential learning, while maintaining a best value proposition. At Turner College, student success is our top priority, and we deeply value the contributions of our stakeholders—faculty, staff, alumni, and community partners—who help us achieve this goal. Students can pursue robust academic programs in Business and Computer Science preparing them to make significant contributions to industry and professional markets upon graduation.

We take pride in our highly qualified and credentialed faculty, who bring both scholarly expertise and industry experience to the classroom. Students benefit from text-sm class sizes, ensuring personalized attention and meaningful engagement. Our programs offer quality educational and experiential opportunities, supported by strong partnerships with campus and community organizations that enrich learning and professional development.

Thank you for visiting us at the Turner College of Business & Technology. We always enjoy hearing from you—please feel free to send me a note via email or contact us by phone at the Office of the Dean. I look forward to connecting with you soon as we work together to advance the goals of our college, university, and the wider Columbus and Southeast region.

Kind Regards,
Dr. Tesa E. Leonce

Give to the Turner College of Business & Technology

When you give to the Turner College of Business & Technology Columbus State University, you're investing in the College and the community. If you choose, you can direct your gift to support a specific department or school within the College. Simply designate your gift to Department of Accounting and Finance, Department of Marketing and

Management, or TSYS School of Computer Science. To support the entire College, designate Turner College of Business & Technology.
