
Web Services

The Web Services team is responsible for several areas of Columbus State University's web presence as well as several CSU web applications and services.

The Web Services team provides support for the following:

- The Columbus State University Website
- MyCSU - CSU's Faculty/Staff/Student Portal
- Cody the Cougar Chatbot
- OneCSU - CSU's Single Sign-On Platform
- Quali - CSU's Digital Forms Platform
- Qualtrics - CSU's Digital Survey Platform

To request support from the Web Services team, please submit a request via eQuest.
