

What is MyCSU?

MyCSU centralizes access to your records, email, campus announcements, and individualized announcements that may be of particular interest to you. All official campus emails will be sent to you through MyCSU. MyCSU also houses links to CSU applications, such as Banner, Accudemia, and other services for students, faculty, and staff.

First-Time MyCSU Users

If you are logging in to MyCSU for the first time, there are a few steps that you must complete in order to log in successfully. Please see our [first-time users guide](#) for more information.
